

## **Lance Jacob Promoted to Principal at Naden/Lean CPAs**

Lance Jacob has been promoted to Principal at Naden/Lean. Lance has been practicing public accounting for 24 years and joined Naden/Lean in 1991. Lance provides accounting, and consulting help to individuals and businesses including dentists, healthcare providers, retail, and equine professionals. Prior to his promotion, Lance served as a manager.

Lance offers start-up services to new businesses including working with banks to help obtain financing. With his equine clients, Lance works to ensure they are in compliance with the federal, state, and local taxing authorities with respect to employment, business tax and reporting issues.

Lance grew up in Baltimore City but spent many of his summers on his uncle's farm in Carroll County. He "inherited" horses when he met his wife 18 years ago. For the last 14 years he has been the chief stall cleaner for his wife's horses. His home zoo consists of four horses, three dogs, two cats, two sons, five quail and four goats.
