**BACKGROUND**

Since graduating from Frostburg State University in 1997, Lee has practiced in the field of public accounting. She has provided audits, reviews and compilations for corporate and non-profit entities, accounting, tax and consulting services to clients in a variety of industries. Lee specializes in audits of not-for-profit organizations as well as compliance auditing.

Prior to joining Naden/Lean, LLC, Lee was a senior accountant at Glen Todd and Company, PA focusing on audits of government contractors, as well as tax preparation of various entities.

In June 2005, Lee joined the accounting and consulting firm of Naden/Lean, LLC where she presently serves as a manager in the firm's Accounting and Business Services Department focusing mainly on the needs of corporate and non-profit entities.
