BACKGROUND

Andrew Runge has over 17 years of experience in forensic accounting/investigation, economic damages, insurance services and business valuations. He has consulted on hundreds of economic damage, lost income, bodily injury, wrongful death, employee dishonesty, construction and other insurance claims exceeding \$200 million in the United States and abroad. Mr. Runge has prepared numerous business valuations of privately held companies as a whole and as partial interests. He has also provided forensic accounting, fraud investigation and litigation support services including assistance in case analysis, preparation for trial and expert witness testimony. He has experience with construction, insurance, manufacturing, computer, biotechnology, medical, hotel and hospitality, farming and animal husbandry, retail, mining and other industries.
