Naden/Lean, LLC Promotes Caulk to Partner Level

Bruce A. Caulk, CPA Takes on New Role With Firm

January 13, 2004 (Timonium, MD) - Naden/Lean, LLC is proud to announce that Bruce A. Caulk, CPA has been promoted to the position of partner within the firm. Caulk provides professional services to industries including contracting, restaurant operations, manufacturing, real estate, as well as numerous other industries. With thirteen years of experience in public accounting, Caulk has extensive experience in providing compliance services in the areas of audit, review and other financial reporting services and tax preparation. Clients have benefited most over the years by working with Caulk in the areas of finance management, operations development, incentive programs and executive benefit package development, tax strategies and planning, net worth management as well as other non-traditional services including litigation support, business buy/sell development and the sale/acquisition of a business.

Specifically relating to the contracting industry, Caulk provides clients with practical solutions to running small to mid-sized subcontracting concerns. Caulk has assisted contractors in facing the myriad of unique issues in this industry which include proper accounting and tax treatment of contracts, development of job costing processes and analysis, surety relationship management, establishing traditional and non-traditional financing unique to the industry, implementing cash management programs as well as other operational needs specific to the contracting trades.

Caulk is a member of the AICPA, MACPA, Building Congress and Exchange, and Associated Builders and Contractors.

Naden/Lean, LLC is a professional services company of Certified Public Accountants, Business Consultants and Technology Professionals headquartered in Timonium, Maryland.
