**Ralph A. Cestero** has been selling Ferraris for 20 years. He has helped his friends and clients get numerous vintage and difficult to obtain Ferraris ranging from F40s to 212s. These cars date from the early 1950s to the current models. Ralph understands the intricacies of buying classic Ferraris, and emphasizes that it is not a spur of the moment decision, but rather a carefully thought out strategy which is time consuming. It is not a simple task to find the right car at the right price. Equally important, Ralph acts expeditiously when all the pieces are in place.
